England Squash Anti- Bullying Policy

Principles

- Bullying of any kind is not acceptable within any Club or County providing playing opportunities for children and young people
- England Squash has a *TELLING* culture and anyone who knows that bullying is happening is expected to tell their Child Officer
- Any incident of bullying which occurs will be taken seriously, responded to promptly, and procedures followed to resolve the situation
- All concerns will be taken seriously and managed accordingly within the Safeguarding and Protecting Young People in Squash Policies and Procedures
- England Squash have a moral and legal obligation to ensure that, when given responsibility for young people, coaches and volunteers provide them with the highest possible standard of care.
- All staff and members of England Squash have a responsibility and failure to comply may lead to disciplinary action
- It is the responsibility of every adult working in squash whether professional or volunteer, to ensure that all young people can enjoy the sport in a safe enjoyable environment
- It is recognised that any procedure is only as effective as the ability and skill of those who operate it. England Squash are committed therefore to the effective recruitment, and appropriate training for all professional staff, coaches, volunteers and club members. This will enable them to work together with parents/carers and other organisations to ensure that the needs and the welfare of young people remain paramount.
